

## 第四次台灣地區家庭計畫與生育力調查(KAP IV)

### 過錄編碼簿

變項名稱	變項說明	選項數值說明	備註
var1	Serial number		
var2	Township		敏感資料
var3	Li		敏感資料
var4	Lin		敏感資料
var5	Case within Lin		敏感資料
var6	Moved or not	0. Not moved 1. Moved within the sample township from which name list for sampling was obtained 2. Moved out of the sample township 3. Return migrant 4. Non-migrant premanently resident in a township other than that indicated in the register	
var7	Date of interview	6. June, 1973 7. July, 1973 8. Aug, 1973 9. Sept, 1973 10. Oct, 1973 11. Nov, 1973	
var8	Wife's date of birth_year	20. 1931 22. 1933 23. 1934 24. 1935 25. 1936 26. 1937 27. 1938 28. 1939 29. 1940 30. 1941 31. 1942 32. 1943 33. 1944 34. 1945	

		35. 1946 36. 1947 37. 1948 38. 1949 39. 1950 40. 1951 41. 1952 42. 1953	
var9	Wife's date of birth_mnth	99. N.A.	
var10	Husband's date of birth_year	1. 1912 2. 1913 43. 1954 99. could not give husband's date of birth or both date of birth and husband's age are unknown	
var11	Husband's date of birth_month(or actual age)	99. Month unknown	
var12	Is this your first marriage?	1. Yes 2. No	
var13	How many times have you been married?	1. Once 2. Twice 5. Five times	
var14	When did your first marriage begin? year	38. 1949 39. 1950 62. 1973 99. N.A.	
var15	When did your first marriage begin? month	99. N.A.	
var16	When did your first marriage end? year	42. 1953 43. 1954 62. 1973 88. No such date 99. N.A.	
var17	When did your first marriage end? nmnth	88. No such date 99. N.A.	

var18	When did your second marriage begin? year		
var19	When did your second marriage begin? month	88. No such date 99. N.A.	
var20	Who decided your marriage?	1. Mainly decided by you and your husband 2. Mainly decided and arranged by the parents 3. Both the couple and the parents involved in the arrangement 4. Others 9. Don't know or N.A.	
var21	Is this your husband's first marriage?	1. Yes 2. No 9. N.A.	
var22	Number of children by previous marriages	0. No children 8. Inapplicable (1 or 9 on v.21 -this is husband's first marriage) 9. N.A.	
var23	Are any of them living with you now?	1. Yes 2. No 8. Inapplicable (1 or 9 on v.22 -this is husband's first marriage or he has no children by other marriages)	
var24	Number of boys less than 6 years- husband's	0. No boy 1. One 8. Inapplicable (1 or 9 on v.21, 0 on v.22 -this is husband's first marriage or he has no children by other marriages) 9. N.A.	
var25	Number of girls less than 6 years- husband's	0. No girl 1. One 8. Inapplicable (1 or 9 on v.21, 0 on v.22 -this is husband's first marriage or he has no children by other marriages) 9. N.A.	

var26	Number of boys 6-15 years-husband's	0. No boy 1. One 8. Inapplicable (1 or 9 on v.21, 0 on v.22 -this is husband's first marriage or he has no children by other marriages) 9. N.A.	
var27	Number of girls6-15 years-husband's	0. No girl 1. One 8. Inapplicable (1 or 9 on v.21, 0 on v.22 -this is husband's first marriage or he has no children by other marriages) 9. N.A.	
var28	Number of boys over 15-husband's	0. No boy 1. One 8. Inapplicable (1 or 9 on v.21, 0 on v.22 -this is husband's first marriage or he has no children by other marriages) 9. N.A.	
var29	Number of girls over 15-husband's	0. No girl 1. One 8. Inapplicable (1 or 9 on v.21, 0 on v.22 -this is husband's first marriage or he has no children by other marriages) 9. N.A.	
var30	Number of live births	0. No live births	
var31	Number of living children	0. No live birth or no living children	
var32	Number of living sons	0. No live birth or no living boys	
var33	Number of living daughters	0. No live birth or no living girls	
var34	Date of first live birth_year	39. 1950 40. 1951 62. 1973 88. Inapplicable (no live birth) 99. N.A.	

var35	Date of first live birth_month	88. Inapplicable (no live birth) 99. N.A.	
var36	Date of last live birth_year	42. 1953 43. 1954 62. 1973 88. Inapplicable (no live birth) 99. N.A.	
var37	Date of last live birth_month	88. Inapplicable (no live birth) 99. N.A.	
var38	Number of induced abortions	0. No abortions	
var39	Are you pregnant now?	1. Yes 2. No 3. Uncertain	
var40	Date of last menstruation_year	0. PPA 1. 1972 2. 1973 8. Inapplicable (not currently pregnant) 9. N.A.	
var41	Date of last menstruation_month	0. PPA 88. Inapplicable (not currently pregnant) 99. N.A.	
var42	Do you think you are able to have more children?	1. Yes 2. No 3. Not sure or don't know	
var43	Have you or your husband had an operation resulting in sterility?	1. Wife had tubal ligation 2. Wife had other operation resulting in sterility 3. Husband had vasectomy 4. Others not called 'sterilized' 8. Inapplicable (Codes 1, 3 on v.42 - 8 able to have children or don't know)	
var44	When did you (he) have the sterilization? year	47. 1958 48. 1959 62. 1973 88. Inapplicable (Codes 2,4,8, on v.43 - not	

		sterilized) 99. N.A.	
var45	When did you (he) have the sterilization? month	88. Inapplicable (Codes 2,4,8, on v.43 - not sterilized) 99. N.A.	
var46	Why are you uncertain or don't know whether you can have more children?	1. Not sure because wife never got pregnant since marriage 2. Not sure because wife did not get pregnant for a long time 3. Not sure because wife supposed to be over menopause 4. Not sure because of bad health 5. Not sure because wife thinks she is too old to become pregnant again 6. Not sure because of other operation 8. Inapplicable (Codes 1 or 2 on v.42 - not uncertain if can have more)	
var47	What do you think is the best age for a girl to get married these days? (years)	99. N.A.	
var48	What do you think is the best birth interval between marriage and the first birth? (months)	96. Depends on family economic condition 97. Up to God 98. Early marriage longer interval and late marriage shorter interval 99. Unknown	
var49	Approve of contraception?	1. Very much 2. Much 3. Not so much 4. Not at all 5. Depends 6. Never heard of it 7. Don't know 9. Unknown	
var50	Approve of contraception before the first child is born to put it off?	1. Very much 2. Much 3. Not so much	

		<ul style="list-style-type: none"> <li>4. Not at all</li> <li>5. Depends</li> <li>6. Never heard of it</li> <li>7. Don't know</li> <li>9. Unknown</li> </ul>	
var51	Know loop?	<ul style="list-style-type: none"> <li>1. Know (self-mentioned)</li> <li>2. Know (probed)</li> <li>3. Don't know</li> </ul>	
var52	Know Ota ring?		
var53	Know contraceptive pill?		
var54	Know condom?		
var55	Know diaphragm?		
var56	Know foam tableta?		
var57	Know jelly?		
var58	Know rhythm?		
var59	Know basal temperature?		
var60	Know coitus interrupts?		
var61	Know abstinence or sleeping separately?		
var62	Know tubal ligation?		
var63	Know vasectomy?		
var64	Other		
var65	Other		
var66	Which method do you think is best?	<ul style="list-style-type: none"> <li>1. Loop</li> <li>2. Ota ring</li> <li>3. Pill</li> <li>4. Condom</li> <li>5. Diaphram</li> <li>6. Foam Tablets</li> <li>7. Jelly</li> <li>8. Rhythm</li> <li>9. Basal temperature</li> <li>10. Coitus interruptus</li> <li>11. Abstinence or sleeping separately</li> <li>12. Tubal ligation</li> </ul>	

		<ul style="list-style-type: none"> <li>13. Vasectomy</li> <li>14. Copper T</li> <li>15. Injectables</li> <li>16. Herb</li> <li>17. Electric treatment</li> <li>18. Douche</li> <li>48. Condom + rhythm</li> <li>80. Rhythm + coitus interruptus</li> <li>88. Inapplicable (Don't know any method)</li> <li>98. All methods are not good</li> <li>99. N.A.</li> </ul>	
var67	Why? first reason	<ul style="list-style-type: none"> <li>1. Most effective at preventing pregnancy</li> <li>2. Much safer</li> <li>3. No danger to health (of woman or of unborn child)</li> <li>4. Easy to use, convenient</li> <li>5. Husband like it best</li> <li>6. Someone told me it was good, or doctor recommended</li> <li>7. No discomfort</li> <li>8. Other reasons (inexpensive to use, only know this method, etc.)</li> <li>9. N.A.' or don't know</li> </ul>	
var68	Why? second reason	<ul style="list-style-type: none"> <li>0. No second reason</li> <li>1. Most effective at preventing pregnancy</li> <li>2. Much safer</li> <li>3. No danger to health (of woman or of unborn child)</li> <li>4. Easy to use, convenient</li> <li>5. Husband like it best</li> <li>6. Someone told me it was good, or doctor recommended</li> <li>7. No discomfort</li> <li>8. Other reasons (inexpensive to use, only know this method, etc.)</li> <li>9. N.A.' or don't know</li> </ul>	

var69	Have you or your husband ever used any of these methods?	1. Yes 2. No	
var70	Some people use a method only a short time. Did you ever try any of these methods?	1. Yes 2. No 8. Inapplicable (code 1 on v.69 - has used)	
var71	Did you use contraception before your first pregnancy?	1. Yes 2. No 8. Inapplicable (Never used contraception: 2 on v.70;used contraception but no pregnancies)	
var72	How many months after marriage did you start to use contraception?	24. To nearest whole month 88. Inapplicable (Never used contraception: 2 on v.70;.no pregnancies; or did not use before 1st pregnancy: 2 on v.71)	
var73	After how many pregnancies did you start to use?	88. Inapplicable (never used, no pregnancies; or 0-24 on v.72 - number of months given)	
var74	How many months after this pregnancy terminated did you start to use contraception?	0. Less than one month 23. Number of months to nearest whole month 88. Inapplicable (never used, no pregnancies; or 0-24 on v.72 - number of months given) 99. N.A.	
var75	Reasons did not use contraception before this pregnancy_first reason	1. Hadn't reached desired family size 2. Don't know any suitable method 3. Didn't know where to get suitable method 4. Husband or relatives disapproved of use 5. Wanted children as fast as possible 6. Got pregnant when planned to use contraception 7. Didn't approve of contraception before	

		<p>then</p> <p>8. Inapplicable (never used, no pregnancies; or 0-24 on v.72 - number of months given)</p> <p>9. N.A. or other reasons</p>	
var76	Reasons did not use contraception before this pregnancy_second reason	<p>0. No second reason</p> <p>1. Hadn't reached desired family size</p> <p>2. Don't know any suitable method</p> <p>3. Didn't know where to get suitable method</p> <p>4. Husband or relatives disapproved of use</p> <p>5. Wanted children as fast as possible</p> <p>6. Got pregnant when planned to use contraception</p> <p>7. Didn't approve of contraception before then</p> <p>8. Inapplicable (never used, no pregnancies; or 0-24 on v.72 - number of months given)</p> <p>9. N.A. or other reasons</p>	
var77	Reasons you have not use contraception_first reason	<p>1. Still want more children</p> <p>2. Don't know any suitable method</p> <p>3. Don't know where to get suitable method</p> <p>4. Husband disapproves of use</p> <p>5. Want children as fast as possible</p> <p>6. Have trouble conceiving (subfecund) or bad health</p> <p>7. Don't approve of contraception</p> <p>8. Inapplicable (Ever used contraception: 1 on v.69 and 1 on v.70; or never had any pregnancy)</p> <p>9. N.A. or PPA or breast feeding</p>	
var78	Reasons you have not use contraception_second reason	<p>0. No second mention</p> <p>1. Still want more children</p> <p>2. Don't know any suitable method</p> <p>3. Don't know where to get suitable method</p> <p>4. Husband disapproves of use</p>	

		<p>5. Want children as fast as possible</p> <p>6. Have trouble conceiving (subfecund) or bad health</p> <p>7. Don't approve of contraception</p> <p>8. Inapplicable (Ever used contraception: 1 on v.69 and 1 on v.70; or never had any pregnancy,</p> <p>9. N.A. or PPA or breast feeding</p>	
var79	Method of contraception currently using	<p>1. Pill</p> <p>2. Condom</p> <p>3. Diaphragm</p> <p>4. Foam tablet</p> <p>5. Jelly</p> <p>6. Rhythm</p> <p>7. Basal temperature</p> <p>8. Coitus interruptus</p> <p>9. Abstinence or sleeping separately</p> <p>10. Loop</p> <p>11. Ota-ring</p> <p>12. Tubal ligation</p> <p>13. Vasectomy</p> <p>14. Injectables</p> <p>15. Douche</p> <p>16. Pill + Rhythm</p> <p>21. Pill + Condom</p> <p>22. Pill + Loop</p> <p>24. Condom + Foam tablet</p> <p>25. Condom + Jelly</p> <p>26. Condom + Rhythm</p> <p>27. Condom + Basal temperature</p> <p>28. Condom + Coitus interruptus</p> <p>33. Pill + Ota-ring</p> <p>46. Foam tablet + Rhythm</p> <p>55. Ota-ring + Rhythm</p> <p>56. Jelly + Rhythm</p> <p>66. Loop + Rhythm</p> <p>68. Basal temperature + Coitus interruptus</p> <p>69. Basal temp. + Abstinence or sleeping</p>	

		sep. 70. Herb 77. Others 87. Coitus interruptus + Basal temperature 88. Inapplicable (not current users)	
var80	Source of contraceptive supply	1. Private doctor 2. Pharmacy 3. Health worker 4. Health station 5. Hospital 6. No supply needed (rhythm, etc.) 7. Health room in government office, factory, etc. 8. Christian service 9. Midwife 13. 01+03 15. 01+05 16. 01+06 24. 02+04 26. 02+06 34. 03+04 46. 04+06 88. Inapplicable (not current users or never used contraception) 99. N.A.	
var81	Why did you start to use contraception at this time?	1. To space 2. To limit 3. For health 4. Economic reason 5. Had other physical operation and took sterilization in the same time 6. For physical treatment 8. Inapplicable (never used contraception) 9. N.A.	
var82	Why did you decide to use this method as your first method?		請見附錄一

var83	Did you talk to a health worker or visit a health station?	1. Yes (including those mentioned in v.82) 2. No 3. Don't know 8. Inapplicable (Never used contraception) 9. N.A.	
var84	Did you receive this contraceptive or a coupon from a health worker or a doctor associated with the family planning program?	1. Yes 2. No 3. Don't know 8. Inapplicable (Never used contraception) 9. N.A.	
var85	Approve of abortion if:1. Woman becomes pregnant and wishes to have the child at a later date	1. Very much 2. Much 3. Depends/Don't know 4. Not so much	
var86	Approve of abortion if:2. When family has as many children se desired, but isn't using contraception	5. Not at all 9. N.A.	
var87	Approve of abortion if:3. When a woman is using contraception but gets pregnant anyway		
var88	Approve of abortion if:4. When a family cannot afford more children economically		
var89	Approve of abortion if:5. When pregnancy seriously endangers awoman's life		
var90	Approve of abortion if:6. When a woman has been raped		
var91	Attitude toward sterilization	1. Yes 2. No 3. Depends 4. Don't know 9. N.A.	

var92	Do you think you or your husband might be sterilized in future?	<ol style="list-style-type: none"> <li>1. Definitely planning to do this</li> <li>2. Pretty sure to do this</li> <li>3. Interested, but not sure</li> <li>4. Probably won't do</li> <li>5. Definitely won't do</li> <li>6. Don't know</li> <li>8. Inapplicable (R or husband sterilized)</li> <li>9. N.A.</li> </ol>	
var93	Would you or your husband have the operation?	<ol style="list-style-type: none"> <li>1. Wife</li> <li>2. Husband</li> <li>3. Don't know</li> <li>8. Inapplicable (R or husband sterilized; or 4, 5, 6, on v.92 -probably won't be sterilized)</li> <li>9. N.A.</li> </ol>	
var94	Why dontt you think you will use this method? first reason	<ol style="list-style-type: none"> <li>1. For fear of operation</li> <li>2. Husband or mother-in-law against</li> <li>3. Current contraceptive users are very satisfactory to the method used and feel no need to have sterilization</li> <li>4. Afraid of physical and mental bad reaction after sterilization, or unnatural</li> <li>5. Supposed to be subfecund, or getting older and want to use other methods</li> <li>6. Expensive</li> <li>7. Other reasons</li> <li>8. Inapplicable (R or husband sterilized or 1, 2, 3, on v.92 - likely to be sterilized)</li> <li>9. N.A.</li> </ol>	
var95	Why dontt you think you will use this method? second reason	<ol style="list-style-type: none"> <li>0. No second reason mentioned</li> <li>1. For fear of operation</li> <li>2. Husband or mother-in-law against</li> <li>3. Current contraceptive users are very satisfactory to the method used and feel no need to have sterilization</li> <li>4. Afraid of physical and mental bad reaction after sterilization, or unnatural</li> </ol>	

		<p>5. Supposed to be subfecund, or getting older and want to use other methods</p> <p>6. Expensive</p> <p>7. Other reasons</p> <p>8. Inapplicable (R or husband sterilized or 1, 2, 3, on v.92 - likely to be sterilized)</p> <p>9. N.A.</p>	
var96	Is cost the reason?	<p>1. Yes</p> <p>2. No</p> <p>8. Inapplicable (R or husband sterilized, or 1, 2, 3 on v.92 - likely to be sterilized or cost mentioned as reason won't us</p> <p>9. N.A.</p>	
var97	What do you think it would cost?	<p>1. Under 100 NT\$</p> <p>2. NT\$ 100 - 299</p> <p>3. NT\$ 300 - 499</p> <p>4. NT\$ 500 - 699</p> <p>5. NT\$ 700 - 999</p> <p>6. NT\$ 1,000 - 1,499</p> <p>7. NT\$ 1,500 and over</p> <p>8. Inapplicable (R or husband sterilized or 1, 2, 3 on v.92 -likely to be sterilized, or cost not the reason won't use</p> <p>9. N.A.</p>	
var98	If the price were lower do you think you might accept sterilization?	<p>1. Yes</p> <p>2. No</p> <p>3. Uncertain</p> <p>4. Up to husband's decision</p> <p>8. Inapplicable (R or husband sterilized or 1, 2, 3 on v.92 -likely to be sterilized, or cost not the reason won't use</p> <p>9. N.A.</p>	
var99	What would be a reasonable price for you?	<p>1. Under 100 NT\$</p> <p>2. NT\$ 100 - 299</p> <p>3. NT\$ 300 - 499</p> <p>4. NT\$ 500 - 699</p> <p>5. NT\$ 700 - 999</p>	

		<p>6. NT\$ 1,000 - 1,499</p> <p>7. NT\$ 1,500 and over</p> <p>8. Inapplicable (R or husband sterilized, or 1, 2, 3 on v.92 -likely to be steralized, or cost mentioned as reason won't us</p> <p>9. N.A.</p>	
var100	If you do go ahead with this, do you think you or your husband would have it?	<p>1. Wife</p> <p>2. Husband</p> <p>3. Don't know</p> <p>8. Inapplicable (same as v. 99)</p> <p>9. N.A.</p>	
var101	Would you like to have more children? How many more?	<p>0. No</p> <p>8. Uncertain or depends, or up to God</p> <p>9. N.A.</p>	
var102	Would you like to have more children? How many more boys?	<p>0. None</p> <p>7. Either alright</p> <p>8. Inapplicable (Want no more or uncertain</p>	
var103	Would you like to have more children? How many more girls?	<p>or depends)</p> <p>9. N.A.</p>	
var104	Why are you uncertain?	<p>0. Up to God, fate, etc.</p> <p>1. May decide or want another child in order to have one of specified sex (no mention of finances or general situation).</p> <p>2. If income increases or times are good, etc., may want one/another of a specified sex</p> <p>3. If income increases or times are good, may want another (no sex preference indicated)</p> <p>4. Depends on husband's preferences</p> <p>5. Depends on R's or husband's health</p> <p>6. Depends on mortality, health, progress or status of current children</p> <p>7. Depends on contraceptive failure</p> <p>8. Other reasons, including Up to God</p>	

		9. Inapplicable (including no answer)	
var105	Would you prefer to have fewer children than you have? How many fewer?	0. No 8. Inap. (coded 1-6 or 8 on v.101) 9. N.A.	
var106	How many more do you think you will actually have?	0. None 7. Don't know, up to God 8. Inapplicable (R or husband sterilized) 9. N.A.	
var107	Well, considering everything, how many more do you think you will really have?	0. None 7. Don't know 8. Inapplicable (R or husband sterilized, or answered on v.106) 9. N.A.	
var108	Does your husband want to have more children? How many more?	0. No 6. Wanted to have additional children but could not tell how many he wanted 7. Don't know 8. Up to God 9. N.A.	
var109	Just before your last pregnancy did he want another child sometime?	1. Wanted another 2. Didn't want another 3. Indifferent 4. Don't know 8. Inapplicable (Codes 1-6, 8 on v.108 - husband said how many he wanted) 9. N.A.	
var110	How many children do you think your husband's parents would like you to have?	0. None 1. One 2. Two 10. Ten or more 11. No preference 12. Up to couple 13. Don't know 14. As many as possible 15. Husband's parents dead	

		16. Husband's parents on mainland 99. N.A.	
var111	How many boye?	0. None 6. Six or more 7. Either alright 8. Inapplicable (Codes 11-16 on v.110 - number of children husband's parents would like you to have not given) 9. N.A.	
var112	How many girls?	0. None 7. Either alright 8. Inapplicable (Codes 11-16 on v.110 - number of children husband's parents would like you to have not given) 9. N.A.	
var113	How important is it to you what your hueband'e parents want?	1. Very important 2. Somewhat important 3. Not important 8. Inapplicable (Codes 11-16 on v.110 - number of children husband's parents would like you to have not given) 9. N.A.	
var114	Why aren't you using contraception if you don't want any more children? first reason	11. (Probably subfecund) - had operation R thinks makes her unable to conceive 12. (Probably subfecund) - too old 13. (Probably subfecund) - menopause 14. (Probably subfecund) - haven't gotten pregnant for a long time 21. Temporary physical - lactating 22. Temporary physical - post partum amenorrhea 23. Currently pregnant 31. Low risk - husband away or ill 32. Low risk - wife ill 41. Of contraception - husband disapproves 42. Of contraception - wife disapproves	

		<p>43. Of contraception - other relative disapproves</p> <p>44. Of contraception - wife fears ill health or side effects</p> <p>45. Of contraception - contraceptive failure and lost confidence in that method, still considered to try other methods</p> <p>51. Subjective reasons - inconvenient, troublesome, no time, too much bother</p> <p>52. Subjective reasons - up to God</p> <p>61. Cost</p> <p>62. Don't know where to get contraceptive service</p> <p>63. 附錄一

0. I thought this method was the 'best'
1. I thought this method was more effective
2. I thought this method had less side effects, less injury
3. It was cheaper, more economical
4. It was more convenient, less troublesome to use, more simple to use
5. I thought this method was more effective and had less side effects
6. I thought this method was more effective and more economical
7. I thought this method was more effective and more convenient
8. I thought this method had less side effects and was cheaper
9. It was more convenient and cheaper
10. Husband preferred this method (either no characteristic stated or generally thought it best)
11. Husband thought this method was more effective
12. Husband thought this method had less side effects, less injury
14. Husband said it was more convenient, more simple to use
15. Husband thought it was more effective had less side effects
17. Husband thought it was more effective, more convenient
19. Husband said it was more convenient and cheaper
20. Friends or relatives preferred this method
21. Friends or relatives thought it was more effective
22. Friends or relatives thought it had less side effects, less injury
23. Friends or relatives said it was cheaper
24. Friends or relatives said it was more convenient, simple to use
25. Friends/relatives thought it swre effective, had less side effect
26. Frientlrelatives thought it more effectiwe, more economical
27. Friends/relatives thought it more effective, more convenient
28. Friends/relatives thought it had less side effects, was cheaper
29. Friends/relatives said it was more convenient and cheaper
30. Doctor preferred this method (wither no characteristic stated or generally thought it best)
31. Doctor thought it more effective
32. Doctor recommended
33. Midwife recommended
34. Midwife thought it more effective
35. Midwife said this method has no side effect
40. Health station personnel or field worker preferred this method
41. Health station personnel thought it more effective
42. Health station personnel, or friend recommended
43. Health station personnel, friend recommended and also received information and coupon by mail
44. Health station personnel thought it aore effective

50. General community sentiment favors this method (it is said to be best)
51. It is said to be more effective
52. Had other operation and took the chance for sterilization
53. Because this method is commonly used in this community
54. The women thought it was a new method and just wanted to try it
55. At that time only this method was available in health station or doctor's clinic
56. Catholic or Christian service recommended
57. Drugstore personnel recommended
58. Woman's health condition was poor at that time and she was sterilized to avoid pregnancy
60. Received information and coupon by mail
61. Learned about method from newspaper, magazine, radio, T.V. or poster, etc.
62. I didn't know of any other method at that time
66. Other reasons
88. Inapplicable (Never used contraception)
99. N.A.
