III. Guideline for data validation and usage

1. The Center for Survey Research (CSR), Research Center for Humanities and Social Sciences Academia Sinica, has checked wild codes and out-of-range values, to validate and clean data. There is no doubt about data accuracy after the validation.
2. Note for data usage
 - (1) Please be attentive if “system missing” may not be listed in the variable value because of the design of skip question (N/A), missing /no response and so on.
 - (2) In case of any inconsistent findings between project report and dataset, priority is given to findings in dataset.

IV. Guideline for citation

Citation, based upon the requirement of various journals, theses or dissertations, can be revised.
